WEBINAR | MAY 7, 2024

Resilience in Service and Ministry

Workplaces in America are faced with the realities of expressed mental health crises and burnout. Are churches exempt from this response to workplace stressors? Together we'll explore what researchers refer to as vicarious resilience and how ministry leaders may grow from challenging stories and situations shared by churches today.

This webinar opportunity is for DOMs or Pastors who could benefit from this webinar. It will be next Tuesday, May 7th at 10am, led by Irene Gallegos. Please click [HERE](#) to register.

**For more information, please contact:
