A generous retired pastor has donated much of his library to BBA. These books are free to any church leader who wants them.

Commentaries, reference, theology, discipleship, church life, etc. First come, first serve.

If interested, please contact BBA at 830.629.7674 or email linda@bluebonnetbaptist.org. Let us know when you want to stop by. Bring your own containers to carry the books in as we don't have boxes or bags at the office.
